Harness the Power of Your Voice

JOIN THE GREAT DEBATE

Established in 1990, the Great Debate, the National Hispanic Institute (NHI) first-year program, develops the communications capacities of even the finest speakers and debaters through a one-of-a-kind learning experience. Using engaging and interactive learning platforms, team competition, and peer-to-peer coaching, participants develop an edge on average young people aspiring to leadership and excellence. Over 1,000 students participate in a community-based 4-day format or a campus-based, 6-day format. NHI is a 39-year education nonprofit specializing in the creation of capacity development experiences for high achieving youth and aspiring community leaders.
